

CRUCIFIXION OF JESUS

MARK 15:21-47

Jerusalem in the Time of Jesus

The exact appearance of Jerusalem 2,000 years ago will never be known, but ongoing archaeological research has given scholars enough data to develop highly plausible reconstructions. This view of the city, looking east toward the Temple, is based on a model built from research done by Prof. Michael Avi-Yonah of Hebrew University in Jerusalem. The numbered sites are identified in the listing below.

When Christ came as high priest of the good things that are already here, he went through the greater and more perfect tabernacle that is not man made, that is to say, not a part of this creation. He did not enter by means of blood of goats and calves, but he entered **The Most Holy Place** once and for all by His own blood having obtained eternal redemption.

For Christ did not enter a man-made sanctuary that was only a copy of the true one; **he entered heaven** now to appear for us in God's presence.

HEBREWS 1:3

The Son is the radiance of God's glory and the exact representation of His being, sustaining all things by his powerful word. After he had provided purification for sins, **he sat down** at the right hand of the Majesty in Heaven.
